

1. I'm a space where cold things are stored.  
I have shelves but look at my door.

2. I have a tongue but I can't talk.  
I go on your foot to help you walk.

3. You'll find me where you rest your head.  
I'm not a sheet but I'm on a bed.

4. I have legs and I'm flat and strong.  
Look carefully, around and along.

5. I'm useful for reading in bed when it's dark.  
I don't need matches or a spark.

6. I'm made of glass and I let in light.  
If it's raining, close me tight!

7. I have words and pictures too.  
I have a story to share with you!

8. I use water and I make a noise.  
My job is cleaning clothes and soft toys.

9. It gets a bit wet where the treasure hides,  
But you don't need a coat, it's still inside!
